

57ft Cruiser - Narrowboat

£14,950

Introducing a fantastic opportunity with a 57ft Cruiser built by Springer. With a Lister 2 cylinder, air cooled engine. There is a diesel heater on board and a solid fuel stove within the saloon. The on board bathroom houses a Cassette toilet, shower base and vanity basin.

This vessel has recently been blacked with the addition of anodes in August 2024. This boat is a project and could be an excellent opportunity for owning a 57ft Cruiser stern and making her your own.

- Cruiser Stern
- 57ft by 6ft 10'
- Lister Engine
- Built by Springer
- Blacked Aug 2024
- Moored in Gloucester
