

## Dutch Barge

£49,950

Introducing this 70ft x 13ft Dutch Barge project for sale. She was originally built in approximately 1908 and has recently had overplating carried out and a reconditioned Perkins installed by the renowned R.W Davis. This Dutch Barge has stunning lines and would make a fantastic opportunity for someone to fit out to their own specification, alternatively R.W Davis can either partly or fully fit the vessel out for you. R.W Davis specialise in the construction of coastal and inland steel motor barges. Having been established since 1887, they've built up an enviable reputation over the decades for restoring, building, refitting and maintaining a diverse range of boats.
