

## Kelpie - 16ft Launch Boat with Trailer

£12,000

Kelpie is stunning example of a launch boat that is a credit to her current owner.

Having purchased her, the seller then worked with master shipbuilders R.W Davis to fit out the vessel. With some beautiful touches including the woodwork. She is powered by a Volvo diesel engine and also includes an outboard engine which is stored on board.

Additionally, a trailer is included in the sale.

Located in Gloucestershire.
